FACULTY OF EDUCATION
**JOURNAL OF EDUCATION IN DEVELOPING AREAS
(JEDA)**

CALL FOR PAPERS

The Journal of Education in Developing Area (JEDA) is a journal of the Faculty of Education published twice in a year (March and October). The main focus of the journal is on education, with implications for developing areas. Its main objectives are:

- i. To provide a medium for the systematic analysis of contemporary educational theories and issues
- ii. To serve as a forum for the dissemination of research findings in the fields of education in developing areas
- iii. To provide a platform for the discussion of innovative ideas for the improvement of education in developing areas.

In line with the above, the Editorial Board invites you to submit original, scholarly researched papers, comparative studies, empirical and theoretical articles in all spectrum of education.
